

## From the Mayor

As we near Labor Day, many are soaking in the last weeks of summer sun, while others are looking forward to autumn's pumpkin-spice everything. A new school year recently began and I can't help but wonder where the kids' summer break went? Whether you are Team Summer or Team Fall, I'm sure you'll agree that the year is flying by.

You've probably noticed that the sewer project is underway. It should be completed by this time next year. Funding for this project was made possible by loans and grants received from the USDA Rural Development office. As you know, the prices of equipment and materials have skyrocketed since the cost of this job was initially estimated, creating a large funding shortfall when bids were received for this job. Without the hard work and dedication of the folks at the USDA Rural Development office, I'm not sure how this project would have gone forward, so I'd like to thank them for making sure we were able to proceed as designed.

We have several other utility projects in the works. Easement acquisitions are underway, and our engineering firm has been working with the IJDC and Region 2 Planning & Development Council to secure funding to replace water lines along Newman's Branch. This project has already faced some of the same problems as the sewer project. Between the time a cost estimate is prepared for a project and the time it is ready for bids, the construction and material costs have substantially risen. This issue is being faced by cities all over the country, and they don't anticipate it will improve any time soon.

Our Independence Day Celebration held on July 2nd was the first community event the City has hosted in two and a half years. It was a lot of fun, and I am so thankful that we are finally able to get back to hosting these festivals. I'd like to say a hearty "THANK YOU!" to the churches, organizations and businesses in Milton that contributed to the success of this event.

Our next event will be Halloween in the Park on October 31st from 6-8pm at April Dawn Park. As in the past, we will have costume contests for different age groups, free corndogs and drinks and other activities. Trunk-or-Treat will take place by April Dawn Park along Smith Street. We hope to see you there!

Continued on Last Page

**US Army Corps  
of Engineers®**

**The US Army Corps of Engineers will be having informational meetings about the Milton Flood Wall at Milton City Hall on September 27 and 28, 2022 from 3pm-7pm. USACE representatives will be available during these meetings to discuss the project, answer questions, and listen to any concerns you might have. We hope you will come out on one or both of those days to speak to the Corps.**

Early Voting will be held at Milton City Hall from October 26-November 5, 2022.

Hours are: 8:30am—4:30pm Monday-Friday  
9:00am—5:00pm, Saturday

Voting on Election Day, November 8th, will be at your normal polling place.

## From the Recorder

Happy Fall, everyone. Like many of you, I am looking forward to cooler days. There are many local activities to enjoy this fall such as the Pumpkin Festival, the Corn Maze at Cooper Family Farms and Halloween in the Park. I encourage you to support these local events.

Third quarter B&O tax returns will be mailed out soon and are due by November 15th. Don't forget that you can take care of these online. Contact Cameron Ernst for more information at 304-743-3032, ext. 211, or at [financeclerk@cityofmiltonwv.com](mailto:financeclerk@cityofmiltonwv.com).

As always, please do not hesitate to contact me or Cameron at 304-743-3032 with any questions you may have regarding B&O or business licenses.

## From the Director of Public Works Charles Conard

At long last the Sewer Project has gotten to the construction stage. This project, which has been in the works for several years, has hit quite a few snags along the way, including the most recent issues of bid over-runs and difficulty obtaining materials. I'm excited to see this job begin, but look forward to its completion.

Excavation for this project will disturb various City roads as well as some driveways (for which easements have been obtained from the property owner.) Please remember that these areas will be patched temporarily, but may not be fully repaired until the

weather is suitable and there is sufficient paving to be done. Additionally, there are roads that need to be repaired, but because those roads will soon be disturbed by either the sewer project or flood wall construction, it makes no sense to waste money to pave a road that will have to be repaved again after the projects are finished.

We recently received a grant from the Cabell County Commission to help upgrade the filtration system at the water plant. This project is in its early stages, and we will keep you updated on developments. We discuss all utility projects at the Utility Board meetings held the first Tuesday of each month at 5:30pm. If you have questions, or want to hear progress updates, please come to those meetings.

The City-wide fall clean-up has been scheduled for the week of September 19-22. Remember, no car parts, batteries, tires, appliances, electronics or yard wastes, and only one truck-load per residence. We will follow a slightly modified schedule from the last few clean-ups; we will only be picking up Monday thru Thursday. Be sure to check out the attached map to see when pick-up will be in your area.

The City of Milton is pleased that we can regularly pick up grass clippings and brush for its residents. However, we are still having issues with bags of yard waste that are too heavy to pick up and get into the truck.

Please make sure the bags of yard waste weigh no more than 30 pounds. You can either use smaller bags, or split the yard waste into more bags. We cannot risk an employee being hurt; so if the bags are too heavy, they will remain where you've placed them.

I also want to remind everyone that **water meters must be accessible** to Milton Utilities employees at all times for maintenance or meter reading. Please limit landscaping around your water meter box; trim trees and bushes, and refrain from planting anything, including flowers, around meters. Likewise, do not cover the water meter lid with mulch, gravel, yard waste or any other item. A water meter lid may not be the most appealing part of your lawn, but we must be able to find and access it.

Finally, we will be flushing fire hydrants the week of October 3-7, 2022. We will send out calls advising when hydrants will be flushed in your area. **Keep in mind that we can't notify you of an emergency or a scheduled event if we do not have an updated telephone number.** If you haven't received at least one automated call from the utilities department in the six months, that's a pretty good sign that your telephone number has not been updated. Please call 304-743-3422 to make sure we have your correct contact information. It is more important than you might think.

As always, if you have any questions call me at 304-743-3422 or 304-963-0713.

## Do You Qualify?

**SCAC Weatherization Program**, office located at 1595 US Rt. 60 East, Milton, WV helps individuals with some weatherization issues if you qualify (NOT REPAIRS). For more info visit their website [www.acacwv.org](http://www.acacwv.org).

**USDA** (304-284-4861) also offers assistance through the 504 Program, a low interest loan for those 62 or older who own their home and the 502 Program, a 100% financed, no interest loan for low income homeowners.

## MILTON SENIOR CENTER

### BINGO

Every Tuesday at 12:30pm

### ENTERTAINMENT

Seniors, come out and hear  
Dorsey Johnson sing  
September 15 @ 6:30pm

### BIRTHDAY BINGO

Every third Tuesday at 4:30pm  
Call ahead to join in, 304-390-4164

The American Legion Post 139 will resume BINGO on Sundays at 6pm beginning September 18, 2022. BINGO is open to the public.

## From Chief Joe Parsons

So, Fall is upon us and with it comes a flurry of activities. Obviously, the big thing for fall is the return of students to school. This calls for extra attention when approaching crosswalks or school grounds. Please be cautious in these areas and help us protect our most precious asset, our children. Also, be aware that school buses are on the road and making stops to load and unload students.

When a bus is

stopped with lights on, all traffic in both directions must come to a stop. This includes four or five lane highways, as are common in Milton from John's Creek to the Middle School intersection. Our officers will be conducting strict enforcement upon those running the stopped buses.

Football season is finally here again, and we see games at Milton Middle School through the week. Friday nights will be busy at Cabell Midland High School. Please drive safely while travelling to and from the game.

Our officers recently attended a training sponsored by the FBI and the Cabell County Board of Education regarding active shooter situations. We felt it was important to be on the same page as the schools and other agencies in this regard. Once again, nothing is more important than the protection of our kids.

**Have a  
Safe & Happy  
HALLOWEEN**

October will see Halloween in the Park and Trick or Treat night in Milton. Be especially cautious when traveling on Trick or Treat night throughout town and especially on the backstreets and around April Dawn Park. We will have extra patrols out to make sure everything goes smoothly.

Finally, the West Virginia Pumpkin Festival is back and hoping for a big turnout this year. Please be aware that there will be traffic backups during the week of the Festival and our officers will be trying to move traffic as efficiently as possible so that everyone has a great time. This is no small undertaking and we are somewhat understaffed at this time but hoping to hire some new officers by October.

Please stay safe and enjoy the fall weather.

**SEPTEMBER 19-22**

**FALL CLEANUP**

**SEE ATTACHED MAP FOR YOUR PICK-UP DAY**

**1 DAY ONLY**

**1 STOP & 1 LOAD PER HOUSEHOLD**

**NO: TIRES, CAR PARTS, BATTERIES, APPLIANCES**

**NO EXCEPTIONS**

SUPPORT YOUR LOCAL FIRE DEPARTMENT

## MVFD News by Chief David Lewis

I want to start off by letting everyone know how proud our members are with our new fire truck. It took us over a year to get it specific for our needs along with securing the funding to purchase it. We want to THANK you and the City Administration for helping us over the years to allow us to be able to get the new truck. Without the support of YOU and our City, we could not afford to provide the services we do. Again, thank you!

We welcomed three new members since our last newsletter article:

- ◇ Jimmy Grimmett is a past member who is certified and has served several years with both Culloden VFD and our department.
- ◇ Jack Haiken comes to us all the way from the State of New Jersey. Jack is also certified and comes from a very large department.
- ◇ Jonathan Black is a lifelong Miltonian. Jonathan will be starting basic fire classes this fall to become certified.

We will be conducting fire prevention and education in October at the Milton Pre-k and Elementary schools. Anyone needing information regarding this can contact our fire prevention member Nick Smith.

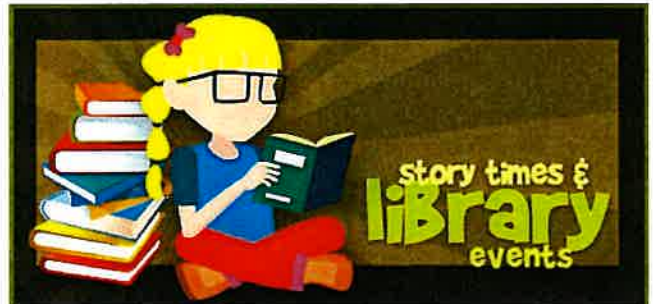

We are working on getting events set back up later this year such as live music, gun shows, etc. Keep an eye on our Facebook page and the city calendar for upcoming info.

Need to rent event space? The Milton VFD Community Room is available to rent for birthday parties, wedding or baby showers, etc. There is space to accommodate large or small groups. For more information, contact Marsha Chastain at 304-972-5333.

Just an early reminder that forest fire season will be starting again on October 1st. Burning is limited between the hours of 5pm to 7am. Only vegetation can be burned. At no time can trash, waste, construction material or other non vegetation material be burned. Forestry rules and laws will be posted prior to Oct 1st.

As always, stay safe!

Chief Dave Lewis

**Milton Public Library Hours:**  
 9am—5:30pm, Monday, Wednesday—Saturday  
 9:00am—7:00pm Tuesday  
 Closed Sunday

Here are the programs currently scheduled for the library. As always, check out the Library's Facebook page for pop-up events.

- ◆ **Storytime Reading, Wednesdays**, 10am, Join us for a story, song and crafts.
- ◆ **Knotty Knitsters, Tuesdays**, 1-3pm, Weekly knitting session for beginners & pros alike. No knowledge, needles or yarn needed; we can provide all three.
- ◆ **Code Club, Wednesdays**, 4pm. Learn the fundamentals of coding with Scratch, app design with AppLab, and HTML/CSS with CodePen. We only have 5 laptops available for use, so be sure to register ahead of time. Recommended ages 8-18.
- ◆ **Origami Workshop**, September 21 & October 25, 3-5pm. On the last Tuesday of every month we'll have an origami workshop. Learn how to make beautiful and colorful creations using nothing but folded paper! Open to all ages and levels of experience, from absolute beginner to expert!
- ◆ **D&D Club**, On the second and fourth Thursday of every month, beginning September 8, 3:30-5:30pm. Do you like stories? Adventures? Games? Then this is the club for you. Our first Dungeons & Dragons game begins in September, so join us for a dice-rolling, dungeon-delving, dangerously good time. Recommended ages 8-16.
- ◆ **Library Leaves**, September 5-9, Decorate a leaf to put on our library tree wall.
- ◆ **Scarecrow Buddies**, October 3-7, Make your own friendly scarecrow puppet!
- ◆ **Trick-or-Treat**, October 26, 3-5:30 pm, Show up in your best Halloween costume for a treat—or a trick!

Contact the Milton Public Library for more information about these events.

The Milton Lions Club meets at 6:30 pm on the 1st and 3rd Thursday of the month at 729 Mason Street. If you'd like to become a member, pick up an application at the Library.

Delicious Lions Club apple butter is still available for purchase. You can't find it at Shonet's.

The Lions Club building at 809 Mason Street is available to rent. If you are looking for event space, give them a call at 304-549-2723.

## United Daughters of the Confederacy Cooney Ricketts #2726 Milton

On Saturday, August 13, Cooney Ricketts Chapter 2726 of the United Daughters of the Confederacy held its monthly meeting at Shonets. Our chapter is now four years old. The town of Milton has been warm and welcoming to us and we appreciate all the kindness the town's people have shown us over these years.

Standing L-R, Easter Miller, Marilyn Coleman, Ethel Elkins, Jean Hatfield, Elizabeth Swain, Bertie Casey. Seated L-R, Gaines Johnson, Billie Johnson.

At this meeting, we also had our Chapter's election of officers for the next two years. Congratulations to Billie Johnson, President, Marilyn Coleman, Vice president, Jean Hatfield, Treasurer, Teri Carr, Recorder of Military Service, Ethel Elkins, Chaplain, and Donna Stephens, Secretary/Registrar. Gaines Johnson, the Event Director for Barboursville Civil War Days, performed the installation of the new officers.

Speaking of Barboursville Civil War Days, it will be held October 21—23 in Barboursville City Park. Cooney Ricketts Chapter is in charge of the Lady's Tea. It is free and we invite all the ladies to join us from 2:00-3:00pm Saturday, October 22 at shelter #8 for an old-fashioned afternoon Lady's Tea. There will be ladies in period dress, but that is not a requirement to come. We really hope to see you there.

There will be many things to do and see at Barboursville Civil War Days. The battles are one of the most popular events. They will occur at 1:00pm on Saturday and 2:00pm on Sunday. There will also be Sutlers, (*that's stores to you and me*) where you can find all kinds of interesting things to buy. There will be demonstrations of weaponry and lots of living-history characters wandering around the grounds that you can talk with and have your picture taken with them.

Friday, October 21st from 10:00am-2:00pm is Education Day, which is open to all grades in area schools—public, private, and home schools. It is a wonderful field trip and a great way for the kids to learn Civil War history. Later that night at 6:00pm in shelter #8, there will be an open to the public Lecture by Professor Michael Lacy. He is a wonderful and very entertaining speaker who spoke at one of our recent Chapter meetings. Mr. Lacy has a unique family history with the Civil War.

Here is the complete schedule for the Barboursville Civil War Days event:

### Friday, October 21st

Education Day – 10:00am—2:00pm (open to schools only)

Lecture – 6:00pm (Open to public) – Shelter #8 - Speaker: Michael Lacy, Professor, Kentucky Christian University, Grayson, Kentucky – “The Lacy Family and Virginia Civil War History” – Concerns the Lacy family relationship with the families of Generals Robert E. Lee and Stonewall Jackson. Also, the founding of the Chaplain Corp of the Confederacy.

### Saturday, October 22nd

Camps open to public – 9:00am

Battle Reenactment – 1:00pm

Ladies Tea – 2:00pm– Shelter #8

Reenactor's Dinner – 5:00pm – (Closed to Public) – Shelter #9

Camp Ball Dance – 7:00—10:00pm - Dennis Bills & Stony Point String

Band Caller: Steve Ballman – Shelter #8

Night Cannon Firing – 10:00pm

### Sunday, October 23rd

Camps open to public – 9:00am

Church Service – 10:00am – Preacher: John Fry – Shelter #8. Memorial Services follow the Church service.

Battle Reenactment – 2:00pm

Camp Closes – 4:00pm

## From the Utilities Department

Hello and happy Fall from the Utilities Department! As most of you know, the Sewer Project is well underway. Crews have been working on Main Street near the Post Office and on South Main Street. Crews will continue working over the coming months in various locations around town. For residents whose driveway is affected by the digging, we are told that your driveway will be repaired, although not right away, to its former condition. The sewer rate increase became effective with the commencement of the Sewer Project and was reflected on the bills that went out in August.

We have implemented a new system to contact you by phone for reasons such as payment reminders, notification of water outages, boil water advisories, etc. The telephone number the calls will come from is **681-203-5645**. If you miss a call from this number, you may dial it back and the message can be replayed. You may want to save this telephone number so you recognize the Water Office attempting to get in touch with you. Also, please be sure the information we have on file for you is correct and up to date so you can be reached in case of emergency.

If you have any questions, please call our office at 304-743-3422.

### HOUSING FOR THE ELDERLY

The **MILTON HOUSING AUTHORITY** is accepting applications for tenancy for the elderly & disabled, 62 years of age or older, or handicap/disabled regardless of age, with or without children.

#### 1 BEDROOM ONLY

Applications may be obtained online at [cityofmiltonwv.com](http://cityofmiltonwv.com) or at City Hall, 1139 Smith St., Milton, WV 25541

**304-743-9530**

**AN EQUAL OPPORTUNITY  
PROVIDER**

## Code Enforcer/Building Inspector Mike Ramsey

As we all say goodbye to another Summer, we welcome the change of leaves and cooler air temperatures that come along with the Fall. But before the weather grows too much colder, it's important to prepare for the winter months to prevent costly damage. Below are the fall preventative home maintenance steps that every homeowner should follow.

### **FALL PREVENTATIVE HOME MAINTENANCE TIPS**

#### **Gutters and Downspouts**

- Clean gutters and downspouts frequently throughout fall to prevent buildup of leaves and other debris. Neglected gutters can lead to wood rot problems and pest infestations, not to mention ruined gutters.
- Be sure water is not coming down behind gutters and that all support brackets are securely in place.
- Ensure that water drains properly and does not pool. Pooling can cause damage to foundations, driveways, and walkways.

#### **Windows and Doors**

- Change summer screens to cool weather storm windows and doors.
- Inspect and repair any loose or damaged window or door frames.
- Install weather stripping or caulking around windows and doors to prevent drafts and to lower heating bills.

#### **Heating Systems**

- Replace the filter in your furnace.
- Consider having a heating professional check your heating system to ensure optimal performance and discover minor problems before they turn into costly major repairs.
- Clean your ducts to better your heating system's efficiency as well as to reduce household dust and to provide relief to those with respiratory problems.

#### **Plumbing**

- To prevent pipes freezing and bursting, ensure that the pipes are well insulated.
- Know how to locate and turn off the water shut-off valve in case pipes do freeze.

#### **Chimney and Fireplace**

- Call a professional in to inspect and clean your chimney. Fireplaces that are regularly used during the season should have an annual cleaning to prevent dangerous chimney fires.
- Test your fireplace flue for a tight seal when closed.

#### **Attic ventilation**

- Be sure attic insulation doesn't cover vents in the eaves to prevent winter ice dams on the roof.
- Be sure ridge vents and vents at eaves are free of plants and debris.
- Check bird and rodent screens for attic vents to prevent any unwanted guests.

#### **Landscape and Yardwork**

- Although grass appears to stop growing in the fall, the roots are actually growing deeper to prepare for winter. Now is the best time to fertilize and reseed your lawn.
- Prune your trees and shrubs after the leaves turn to encourage healthy growth.
- Trim any tree limbs that are dangerously close to power lines or the roof of your house. Heavy snow and ice can cause damage in the winter.

As always make sure the person or company doing the work is Licensed with the City and pulls the proper permits.

**From the Mayor (Continued From Page 1)**

Early voting will take place again at Milton City Hall from October 26th thru November 5th. Voting on Election Day, November 8th, will occur at your normal polling place. I encourage all of you to exercise your right—your privilege—to vote.

Finally, I want to extend my thanks to all those in the Milton community who have shown their support for me over the past several months. Your calls, kind words and cards have meant very much to me and have truly brightened the days as I have recovered. I would like to ask all of you to say an extra prayer for me. I undergo another surgery (hopefully the last) in early September, and your prayers for a successful surgery and a full and quick recovery would be appreciated. I am anxious to put this whole incident behind me and get back to normal.

I have always felt honored to be the mayor of this wonderful city. I appreciate all of you for allowing me the pleasure of holding this office. May God bless you all.
