

WORK SESSION MINUTES

Mayor Canterbury called the Work Session to order at 9:05 am. Present were Mayor Canterbury, Recorder Walters and Council Member Adkins. Council Member Nicely attended via telephone. Council Members Harshbarger, Legg and Miller were absent. Utility Board Commissioners Chittum, Chastain and Meadows were absent.

The following items were reviewed and/or discussed:

- Previous Minutes
- City Bills/Financial Report for November 2021
- Jarrell Sargent Park Update
- Ordinance Changes
 - Codification of Ordinances
 - Stormwater
 - Reckless/Hazardous Driving
 - Stopping for School Bus
- Discuss creating Ordinance change regarding increasing fee for credit card usage
- Resolutions
 - Transfer Funds from Rainy Day Fund to General Checking
 - Parking on Florida Street
 - Reimbursement to General Fund for Police Cruisers
 - Agreement with DOH to Provide Traffic Control
 - Application for Generators Grant
- Parking on Florida Street
 - Residents Milton “Jim” Clay, Laura Moul, Jewel Wilson, Chris Simmons and Frank Mullins spoke about the ban on parking along Florida Street, as well as the result of the ban on parking on Mason Street. They listed some of the problems they will face if this Resolution is passed, including increased difficulty for handicapped residents and those with medical issues to access their vehicles, having to park in their front yards, having nowhere for visitors to park, including physical therapists, repairmen, etc., diminution of resale value of their property. A Petition was presented with signatures opposing the passage of this resolution.

The Work Session was adjourned at 9:25 am.

Tom Canterbury, Mayor
