November-December 2022

## From the Mayor

Fall has definitely arrived, bringing with it shorter days and colder weather. We've had plenty of beautiful, sunny days, however, and the City has taken advantage of them by cleaning and repainting curbs along Route 60. The last of the year's paving projects finished a short time ago, but paving and patching will resume next spring when the weather permits. As we near the end of the year, we are also beginning to prepare for snow. That means dusting off the snowplows and making sure we have plenty of road salt and sand on hand to ensure our roads are as safe as possible when snowy weather hits.

I want to briefly address the issue of West Virginia American Water Company's interest in purchasing the Milton Water Company. Despite what some say, we have great water! Yes, there are water lines that must be replaced, but we are working on it. Last year, the American Rescue Plan Act of 2021 provided funding to state and local governments, encouraging that this aid be used, among other things, to improve water and sewer infrastructure nationwide, not just in Milton, West Virginia. For the past several years we have been making steady progress improving our water and sewer infrastructure, and we will continue to do so. If and when WVAW makes an offer to purchase Milton's water company, we will discuss it then.

Preparations for the flood wall continue, despite some rumors to the contrary. The US Army Corps of Engineers anticipates moving dirt in the fall of 2024. I understand the frustration delays bring when anticipating a project like this. We must all remember that this is a very large project, and there is a lot of work that has and will continue to go into it. The inflated cost of supplies and equipment creates added difficulties. However, I remain optimistic, and eagerly await the commencement and completion of the construction of the Milton Flood Wall.

November 11th marks the date we set aside to remember and honor the men and women in the armed forces who have fought and continue to fight for the freedoms we enjoy. We have a

wonderful community of Veterans in our small town. Thank you Veterans for your service and sacrifice for the United States of America. We appreciate you.

I'd also like to take just a moment to thank Beth Williamson for the fall decorations at the sign by Wendy's and at the four corners. They look great, and we all truly appreciate your creativity! We have received dozens of compliments from visitors to our City. Beth has done an outstanding job!

Let's not forget that mid-term elections are going on. Early voting continues until November 5th here at City Hall. On Election Day, November 8th, voting will occur at your normal polling place. I urge you to get out and VOTE!

**From the Utilities:**

Hello and Happy Holidays from the Utilities Department! With colder weather comes the possibility of frozen water lines, so please be aware that if you do choose run water to help keep lines from freezing it could potentially increase your bill. Something to consider for the upcoming cold and flu season is signing up to pay your bill through Automatic Deduction. This form is found on the back of your bill, can be picked up at our office, or it can be found on our website at [cityofmiltonwv.com](http://cityofmiltonwv.com) under the Utilities section and Forms. Please be sure to include a voided check when returning the form to us. Once enrolled, your payment will automatically draft from your checking account on the 15<sup>th</sup> of each month.

**NEW!**

We have implemented a new system to notify you by phone for reasons such as payment reminders, notification of water outage, boil water advisories, etc. The telephone number that will appear on your caller ID is **681-203-5645**. If you miss a call from this number, you may dial it back and the message can be replayed. **Please consider adding this number to your contacts so it will not be mistaken as spam or a telemarketer.** Also, please be sure the telephone number we have on file for you is correct so you may be reached in case of emergency.

Please note that our office will be closed November 11th for Veterans Day and November 24<sup>th</sup> and 25<sup>th</sup> to observe the Thanksgiving holiday. We will also be closed on December 23<sup>rd</sup> and 26<sup>th</sup> in celebration of Christmas.

**From Director of Public Works Charles Conard**

Happy Holidays! It is hard to believe that 2022 is nearly over. There are many activities planned for the next couple of months. Be sure to check out the calendar so you don't miss an event.

The Sewer Project, funded by grants and loans through the USDA, Rural Development, is well underway and progressing as scheduled. Completion of this project should greatly reduce our Inflow and Infiltration, which should reduce the ongoing cost of pumping and treatment. If we can keep this cost down, we can keep your costs down.

The water line replacement project on Newman's Branch has been advertised, with the bid opening scheduled for December 6th. Funding for this project was provided through the West Virginia Infrastructure & Jobs Development Council's "Critical Needs" program.

We finished the final paving projects for the year, which included Brickyard Avenue, sections of Mason Street, and patching of multiple areas. Paving will resume next spring.

If you have any questions or concerns, call 304-743-3032. I hope you all have a Happy Thanksgiving, a Joyous Christmas, and a Prosperous New Year.

**From Chief Parsons**

Well, it looks like they had a banner year at the West Virginia Pumpkin Festival with record attendance. The weekend was without any major incidents except for the usual traffic tie-ups and a few vehicle crashes. Beautiful weather played a large part of the success.

Now we turn our attention to November and December, heavy holiday season with a lot of travel to see loved ones. We hope everyone has a great time but also travels in a safe manner. Nothing ruins a holiday quicker than a traffic crash.

Enjoy your Thanksgiving with your loved ones and do not forget neighbors who may be alone for the holiday. The same goes for Christmas, remember the reason for the season and check on your elderly friends and neighbors. If you are concerned about someone, call us and we can do a wellness check on them to ensure they are safe.

Christmas in the Park will be December 10<sup>th</sup> at April Dawn Park, fun for the whole family with free corn dogs, coffee and hot cocoa. Come out and enjoy the festive music and a visit from the North Pole.

The holidays are traditionally a time of heightened depression and domestic disputes. Keep safe and call on our services if trouble arises, that is what we are here for.

Finally, I would like to thank everyone for a successful year and wish you all a Happy Thanksgiving, a very Merry Christmas and a Happy New Year! God Bless you all.

## United Daughters of the Confederacy Cooney Ricketts #2726 Milton

Standing L-R Easter Miller, Ethel Elkins, Mary Johnson, Jean Hatfield, Elizabeth Swain, Marilyn Coleman. Seated L-R Bertie Casey, Roger Casey, Billie Johnson.

Cooney Ricketts Chapter #2726 of the United Daughters of the Confederacy (UDC) held its regular meeting on September 17<sup>th</sup> at Shonet's in Milton. At that time, we held a ceremony to present our newest member, Mary Johnson, with her official Membership Certificate and copy of the Chapter's Handbook. Establishing Mary's eligibility for UDC membership was not an easy journey.

After countless attempts failed to fully document the genealogical proof necessary to link her to a Confederate soldier ancestor, the unexpected happened. A 160-year-old receipt for \$5 dollars, dated September 30, 1862, from Mount Sterling KY surfaced. One James M. Hall, a young man trying to support his mother and siblings while his father was away at war, rented his blacksmithing tools and equipment for \$2 dollars a day, and sold 6 bushels of coal at \$0.50 cents a bushel for the forge, to a local encampment of the Confederate army. Because that son of a soldier materially aided the Confederate Army by selling them materials, this obscure little receipt unquestionably establishing that transaction gave Mary the proof that qualified her for UDC membership. We congratulate Mary and wish her many happy years of service in our sisterhood.

Our guest speaker for the day was one of our favorites, Commander Roger Casey of Camp #628 SCV, who told us the story of Emma Sansom Turner. She is remembered in Alabama as a heroine for aiding Confederate general Nathan Bedford Forrest. At the age of 16, the young Miss Turner braved gunfire as she guided General Forrest and his cavalry in traversing a flooded Black Creek where two bridges had been burned by Union forces. This act enabled the Confederate Army to save the towns of Gadsden, Alabama, and Rome, Georgia.

In 1906, the Gadsden Chapter of the United Daughters of the Confederacy erected a statue honoring her Civil War contributions. The base of the statue contains a carving of Emma accompanying Forrest on horseback. In the 1920s, the town of Gadsden also named the high school after her. That school sits directly across the street from that statue.

## From the Mayor (Continued)

The hustle and bustle of Thanksgiving, Christmas and other holidays are right around the corner. Some people thrive in the activity and excitement of the holidays, while others become overwhelmed with the hectic pace. This can be both the most joyous and most stressful time of year. I truly hope you are blessed with a season filled with thankfulness, joy and peace. Enjoy the whirlwind of the season, but don't get caught up in it. Take time to remember the reasons we celebrate Thanksgiving and Christmas.

If you are among those fortunate enough to spend the holidays with loved ones, consider yourself blessed. I encourage you to think about those who aren't as fortunate. Reach out to friends, neighbors and acquaintances who will be alone for the holiday season. Call or visit them, or invite them to your home or to a special church service or event. If you find yourself alone during the holidays, don't wait for an invitation; consider planning your own gathering, or invite someone to join you in an activity.

However you spend the holidays, I hope they are special times. Best wishes for a Happy Thanksgiving, Merry Christmas and a Happy New Year!
