From the Mayor's Office

This year has brought some exciting milestones for our city. We celebrated the opening of our new Misty Rose recreation center, complete with a party room now available for a variety of events. Residents can also enjoy the new dog park and weekly farmer's market. Key streets and the local track have been repaved, improving accessibility and safety. Additionally, we received our health permit, allowing us to sell concessions at the recreation center. Community events have been thriving: our recent gun show drew over 500 attendees, marking a major success.

While the year started with challenges, including floods, snowstorms, and the loss of our dear friend Paul Linville, we are focused on moving forward. Two new police hires will begin the academy in January, strengthening our team and commitment to public safety. With these accomplishments and ongoing improvements, we are optimistic about finishing the year strong and continuing to build a welcoming community for everyone.

Mayor Shane Evans

OSHA ALERT

Working Safely in Cold Weather

Winter weather can expose outdoor workers to frostbite, hypothermia, and cold stress, all of which can be fatal. It is important to know the wind chill temperature to better [prepare](#) and perform the work safely.

Follow these work practices to stay safe in cold weather:

- Know the symptoms of [cold stress](#); reddening skin, tingling, pain, swelling, leg cramps, numbness, and blisters.
- Dress properly; wear at least three layers of loose-fitting clothing, insulated gloves and boots, and cover your head.
- Monitor your physical condition and that of your coworkers.
- Stay dry and pack extra clothes; moisture can increase heat loss from the body.
- Take frequent breaks in warm, dry areas.
- Drink warm liquids.

For more safety tips, visit OSHA's [Winter Weather](#) page.

OSHA's [On-Site Consultation Program](#) provides no-cost and confidential occupational safety and health compliance assistance to small- and medium-sized businesses. Consultation services are separate from enforcement and do not result in penalties or citations. The [OSHA Training Institute Education Centers](#) offer courses for workers, employers, and managers on hazard recognition and abatement at convenient locations nationwide.

OSHA alerts are issued on occasion to draw attention to worker safety and health issues and solutions.
